The individual parts are issued in one or more numbers listing documents issued from the beginning of 1946 to the end of 1949.

In addition to the list of documents, every part contains a subject-index, an index of personal names when necessary, and introductory notes giving information on the organization of the bodies concerned. It also notes the unpublished records of meetings and sound recordings deposited in the Archives of the United Nations and the press releases concerning the meetings.

Part 6F of the Check List of United Nations Documents comprises the documents of the Commission on the Status of Women, one of the functional Commissions of the Economic and Social Council. It was originally established as a Sub-Commission of the Commission on Human Rights by Economic and Social Council resolution 1/5, adopted 16 and 18 February 1946, but given the status of a full Commission by Economic and Social Council resolutions 2/11 and 2/12, adopted 21 June 1946. The present issue lists all documents of the Sub-Commission and the Commission issued during the period 1946 — 1949. Documents issued after the beginning of 1950 are listed in the current issues of the monthly United Nations Document Index.

The user of this volume will find it helpful to read carefully the explanations preceding the Check List and the Subject-Index.

EXPLANATION

ENTRY NUMBER. Documents are referred to by entry numbers in the index to this check list. Entry numbers do not appear on the documents and should not be used in citations.

LANGUAGE OF ISSUE. The language editions in which a document is issued are indicated as English (E), French (F), Spanish (S), Russian (R), Chinese (C), or bilingual English-French (E&F) texts.

DOCUMENT SYMBOL AND SHORT TITLE. This number should be used in citing documents. In the case of publications without document symbol numbers, titles should be cited together with the session number, issue number, supplement number, and volume number, whichever is included in the entry. Title entries have been standardized and shortened or expanded in order to clarify the meaning of the titles and the authorship of the documents, so the entries do not always conform literally to the actual documentary titles. The collation shows the pagination of the English or bilingual English-French text only. The date appearing on each document below the document symbol number is usually the date of registration of the documentary text with the Bureau of Documents for publication and translation and should be the same in all language texts. The date of registration closes each entry. Corrigenda and revisions are usually grouped with the parent document in the same entry. Corrigenda are corrections of errors in the text, title, date and classification of documents, emendations of the translation, and additions of omitted text. Addenda include supplementary material, such as annexes, tables, and other additional communications. Revisions are texts revised through formal amendment, or new editions prepared by the submitting delegation or by the Secretariat.

REPUBLICATION NOTES indicate the republication of whole documents in other documents or in the Official Records. In the case of resolutions only their republication in collected sets is indicated; in the case of draft resolutions no attempt is made to note the inclusion of their texts in the verbatim records of meetings.

RESTRICTED SERIES. Documents of "restricted" distribution are indicated in this Check List by a black dot (•) before the symbol.

INTRODUCTORY NOTES give a short parliamentary history of the Commission and describe briefly each Ad hoc Committee session by session, including the date of its appointment, citing its terms of reference, naming its members and officers, listing its reports and document series symbol (if any), and tabulating its meeting records. The plenary meetings are shown in tables for each session. The tables indicate both published and unpublished meeting records and related press releases. Since drafts for the published meeting records should be deposited as a matter of course in the Archives of the United Nations, the tables show under the heading "Archives" only the unpublished manuscript records deposited in the Archives ("TPV"; "TSR") and the sound recordings ("X").

Entry No. 23

Establishment and Composition of the Commission on the Status of Women

The Commission on the Status of Women was established as a full Commission by Economic and Social Council resolutions 2/11 and 2/12 both of 21 June 1946, documents E/84/Rev.1 and E/90 (See Check List, Part 5: No. 1, entries 275,281) in accordance with the Report of its Drafting Committee on Reports of the Commissions in the Social Field, document E/56/Rev.1. (See Check List, Part 4, No. 1, entries 233, 322, 323). Terms of reference: In Economic and Social Council Resolution 2/11, amended by Resolution 48 (IV) of 29 March 1947. The Commission consists of one representative from each of fifteen Members of the United Nations selected by the Council. Except for the initial period, the term of office is three years. For the initial period, one-third of the representatives was to serve for two, one-third for three and one-third for four years, the term of each member to be determined by lot. Retiring members are eligible for re-election. Accordingly, the Council at its 46th plenary meeting, 2 October 1946, elected the fifteen nominating States. The terms of office of their representatives were determined by lot at the 47th meeting, on 3 October 1946, as follows: to serve for two years: Australia, the Byelorussian Soviet Socialist Republic, China, Guatemala, India; for three years: Mexico, Syria, the Union of Soviet Socialist Republics, the United Kingdom, the United States of America; for four years: Costa Rica, Denmark, France, Turkey, Venezuela. (See document E/223, Check List, Part 5: No.1, entry 520). In order to secure a balanced expert representation in the various fields covered by the Commission, the Secretary-General was instructed to consult with the Governments in question before they made their final nomination. The nomination has to be confirmed by the Council. Accordingly, the Council at a special meeting on 10 December 1946 confirmed thirteen nominations submitted by the Secretary-General (documents E/250, and /Corr 1 and /Add 2, E/252, Check List, Part 5: No.1, entries 549,624). The Council decided at this meeting with regard to the two remaining States from which nominations had not been received that members nominated might serve provisionally pending their confirmation at the next session of the Council.

Subsequent nominations by Guatemala and Turkey were confirmed by the Council sitting as a Committee of the Whole on 26 March 1947 (See documents E/265/Add.1 and E/378/Rev.1, Check List, Part 5: No.1 entries 642,776). A replacement by China was confirmed at the 173rd meeting on 11 March 1948 (See documents E/725 and E/427/Rev.2).

At its 202nd and 206th meetings, on 17 and 19 April 1948, the Council filled the vacancies caused by the expiration of the terms of office of the first third of the membership, initially elected for two years, by electing Australia, China, Greece, Haiti and India for a term of three years (See document E/988 and /Add 1). The representatives nominated or renominated by the elected States were confirmed by the Council at its 225th meeting, on 29 August 1948, and its 272nd meeting, on 11 March 1949 (See documents E/987/Add.1, E/1235 and E/1308). Replacements by India and Syria were confirmed at the 338th meeting on 12 August 1949 (See document E/1516).

At its 323rd meeting, on 5 August 1949, the Council replaced the second third of the representatives whose term of office was to expire by the end of 1949, electing Lebanon, Mexico, the Union of Soviet Socialist Republics, the United Kingdom, and the United States of America (See document E/1508).
